This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. E. Kirby Smith	Fla	Feb. 19	Feb. 19	May 11	On June 2, 1865, at Galveston Harbor, General Smith approved the terms of the convention of May 26, 1865, for the surrender of his troops in the Trans-Mississippi Department. Nothing has been found of record to show that he gave an individual parole at that time. On June 15, 1866, General Smith advised Gen. U. S. Grant that he (Smith) had always regarded his signature ratifying the articles of convention surrendering his troops as a parole

GENERAL, PROVISIONAL ARMY (WITH TEMPORARY RANK).

Authorized by act of Congress approved May 31, 1864, as follows:

That the President be, and he is hereby, authorized, by and with the advice and consent of the Senate, to appoint temporary officers of the rank of brigadier-general, major-general, lieutenant-general, or general for the provisional army, and assign them to any appropriate command.

SEC. 2. That the said officers, so appointed, shall only hold their said rank and their said command for such time as the temporary exigency may require, at the expiration of which time they shall resume their previous permanent rank and command.

John B. Hood[a]	Tex ...	July 18	July 18	.....	Reverted to rank of lieutenant-general, provisional army, Jan. 23, 1865.

[a] On March 16, 1865, the following resolution was adopted by the Senate:

"*Resolved*, That General J. B. Hood, having been appointed general, with temporary rank and command, and having been relieved from duty as commander of the Army of Tennessee, and not having been reappointed to any other command appropriate to the rank of general, he has lost the rank of general, and therefore can not be confirmed as such."

LIEUTENANT-GENERALS, PROVISIONAL ARMY.

Authorized by acts of Congress approved September 18, 1862, and February 17, 1864, as follows:

(September 18, 1862.)

That the sixth section of the act to provide for the public defence, approved on the sixth of March, eighteen hundred and sixty-one, be amended by adding, after the words "brigades into divisions," the words "and divisions into army corps," and each army corps shall be commanded by a lieutenant-general, to be appointed by the President, by and with the advice and consent of the Senate. * * *

(February 17, 1864.)

SEC. 2. That the President may, by and with the advice and consent of the Senate, appoint lieutenant-generals in the provisional army of the Confederate States when, in his discretion, it shall be deemed necessary for the command of any one of the military departments.

SEC. 3. That the officers appointed under the provisions of this act shall continue to hold the rank herein provided so long as they shall efficiently discharge the duties in command of said several departments, and no longer, but will resume thereafter their former rank in the service.
